CAIRNS NEWSLETTER

Welcome to Rosies Family! 😊

Another group of lovely ladies who signed up to serve our patrons in Cairns. (Right to Left):

Kim Ametoglon; Jayzel Janomon; Maricon Baidiango; Terri Basic; Lizzie Perrin; Loretta Costanzo; Michelle Wood; (Peter Winship-DBC).

So inspired to hear the stories of each volunteer why they chose Rosies as a charitable organisation to join. We love you all and we hope that you will experience what it *truly means to serve those who are in need in our community.* Friendship, Compassion, Love and Prayers for our struggling friends is what they need to experience from their community. **Ladies, your once-a-month commitment and dedication is important to the mission of Rosies!** 🙏🌹

Babinda Springs Water— Thank you again!

You have come along way! Thank you for your wonderful and generous service for Rosies and our patrons. It's a great feeling to call or email and say...

“Rosies needs another pallet of water. 96 x20 slabs of natural spring water.” And the reply as always is, “sure!”

Never ceases to amaze me how kind our community is to help those who need our support, friendship and love! 🌹

*Anonymous donor from time-to-time continues to supply Rosies with fresh fruit and veges, and frozen foods. Our patrons and cooks appreciate your wonderful kindness!

JESUS LOVES YOU! ❤️

*Great night with patrons @ Moody Street. **Serina** Guest volunteer, loves our patrons. She ministers to the homeless back home (PNG) and blessed our patrons with a lovely song about the love of Jesus. It was very much appreciated and well received by the audience. Good onya Serina, for your courage and impulse to do that! 😊🙏

Happy raffle winner!

Thank you Danny Maher (from Southern Suburbs Rugby League) for dropping into Rosies and supporting our mission with your donation. Thank you St. Monica's girls for supporting Roises Team!

*She's looking a bit camera shy. Kim our new volunteer was trying to get out of having her pic taken with her boy. However she couldn't get away, with other volunteers putting the pressure on! 😊

Love you Kim for what you do and appreciate your love for our patrons. 🙏🌹

THANK YOU TO OUR ANONYMOUS DONOR!

Can't thank our anonymous donor for the fresh produce that was donated to Rosies for our patrons. The Hub vols prepackaged these veges and fruit in smaller packs for our patrons. Thank you Russell and your team for doing this, and thank you Theresa for your supporting Russell! 🙏🌹

Our beautiful Kim, registered to become a Rosies Volunteer. I met her face-to-face at the Hub for volunteer induction. She shared her story very briefly why she joined Rosies. Immediately, I knew I wanted to share her story of Providence, leading in her life. This is Kim's story shared with her permission.

Kim why Rosies? *"I am here tonight, at induction because I **knew God wanted me to be here, and I wanted to be here,** to support Rosies [the ministry] that helped me during my darkest time. Because of domestic violence I had to flee my home with my small son, and came to Rosie for 6 months on and off. Rosies provided not only a hot meal, but comfort on those cold nights. While sleeping in my car for 6 months with my son, I found myself so disconnected from the real world and the gap was growing bigger and bigger. And I thought that if I didn't make it back into the real world everything would collapse for me. **Homelessness is the most humiliating, isolating and challenging experience. And you feel there is no way out.**"*

*"Prior to becoming homeless, I had a very successful beauty salon, and this was a career change after working for the Australian Defence Force in the Intelligence Agency for a few years. My ex-husband, is now in prison, so I feel safe and know my son is safe too. **I found Christ in the process, got baptised and my son and I attend church every week.** Currently I am the Regional Area Manager for Coles on the Tablelands. I manage four different sites. I am excited about being a Rosie Volunteer, so I can to give back to the organisation that helped me and my son, and to help those who are homeless and struggling in our community."* 🙏🌹

Volunteers put together a nice cheesecake for our patrons!

Sylvian, thank you for your care for our patrons! Lovely seeing you in the pic with the raffle winner!

* Here is PK-one of our hub volunteers who did a fantastic job at prepping for our patrons in a very short time! Meals, salads and desserts. You are amazing PK with your ability to do so much in a short time. Being a mother helps doesn't it? Love you girl! We sure appreciate our Hub Volunteers! 🙏🌹
