Love is not patronizing and charity isn't about pity, it is about love...

Charity and love are the same — with charity you give love, so don't just give money but reach out your hand instead."

MISSION *Highlight*

**RIDE FOR ROSIES**

Congratulations students from St Augustine's and St Monica's for raising over \$23,200 for Rosies.

### OUR SCHOOL FUNDRAISER FOR ROSIES

The basic premise of this event is that the students will gather pledges and ride their bicycles for one hour around the Smith Street Velodrome (Cairns, QLD). Last year Saints' boys were able to raise over \$9600 for Rosies with this fundraising event, so we excitedly enter this year's event with St. Monica's College officially joining Ride for Rosies and a second session added to the night to increase participation numbers.

After a week of praying for a break in the rain, we were blessed with a beautiful night on the track. 60 students rode over 3,200 laps (1 lap = 400 m) over the two one hour sessions. Great work students, now it is time to check in with your sponsors and start collecting funds for Rosies!

*\*"Our goal was to raise \$10,000 for Rosies. I enjoyed riding with my fellow students to try and get as many laps as we could to raise as much money as possible."

*\*"Giving back to the community of Cairns through supporting those who are disconnected significantly motivated me to ride."
